THE EDUCATION TRUST			
SCHOOLS			
Rubbish bins are emptied before each weekend and holidays			
<p>Industrial bins are located in a secure area or the lid secured and away from the shelter-in-place location/s</p> <p>Other:</p>			
<b>6. Evacuation/Relocation, Site Access, and Surrounds</b>			
		Yes/No	Required Action
			Exit signs are displayed over emergency exits
			Designated emergency exits are free of obstruction and easy for students to open
Ability where this is required			The school has equipment to safely move students with a disability
			Fire appliances can access water tank connections
			Driveways and fire vehicle access areas are clear of debris and any obstacles (CFA advises fire truck access requires 4m wide and 4m high that is clear of overhanging branches and archway structures)
